TESTIMONIALS

Fayetteville Area Convention & Visitors Bureau

Tiffany is a professional and enthusiastic supporter of the greater Fayetteville area of North Carolina. I think her professionalism and enthusiasm are the top reasons to work with her. She's genuinely a nice person too. I know its a LOT of work, but she makes managing a Vlog look easy. Also, the personality you see in her stories is 100% her. She's completely genuine.

Sandhills Go Red For Women

We had a fabulous experience working with Tiffany to cover the Sandhills Go Red For Women Luncheon in Fayetteville. TheMrsTee was a pleasure to work with and her social media coverage conveyed our mission to end heart disease and stroke in women with personality, passion, and professionalism. I highly recommend inviting Tiffany to YOUR next event!

ARTS COUNCIL FAYETTEVILLE/CUMBERLAND COUNTY

There's a certain ease to how TheMrsTee goes about her presentations. Informative, to be sure. Enthusiastic, too. She "takes you there." Making us see – and feel – the action. At The Arts Council, we're grateful for her coverage of the recent events featuring Actor Boris Kodjoe and Casting Director Winsome Sinclair. Simply fantastic! 5 Stars.
